

CIEH Level 2 Award in the principles of COSHH

Duration Half Day

This qualification is designed for employees who use hazardous substances in the workplace.

The course will identify hazard signs and just how dangerous substances can be if not handled and stored correctly.

It introduces employees to substances, risks and controls available.

The qualification demonstrates what to expect from a control of substances hazardous to health (COSHH) assessment.

This qualification will also prepare employees to contribute to the safe use of hazardous substances in their workplace.
