

Fire Marshal Training

Duration 1 Day

This course is designed for employees who have the responsibility to carry out fire duties to comply with current fire legislation.

The course will enable employees to understand the dangers of fire and will provide them with the requirements to be a Fire Marshall and for the safe evacuation of personnel in the event of a fire.

Following the course, employees should be able to produce fire action plans following an assessment of the workplace; this will enable a safe evacuation of premises without risk to themselves or others.
